G390SS Gas Storage

Largest Delivery In Our Range, You Choose The Mix.

The AquaMAX G390SS patented in-built mixing valve gives you up to 390 Litres first hour delivery with a 5 Star Energy Rating and 10 Year cylinder warranty¹. As an installation option, your plumber can also install twin temperature delivery so you can enjoy the convenience of 65°C hot water in the kitchen and laundry when you need it, while taking comfort in the knowledge that it is safer for kids with bathroom hot water taps at 50°C or lower.

Product Features:

- ✓ Natural Gas
- ✓ 390 Litre First Hour Delivery
- ✓ 155 Litre Stainless Steel tank
- ✓ Inbuilt Mixing Valve
- ✓ 5 Star Energy Rating
- ✓ 10 Year Cylinder Warranty¹
- ✓ External Installation
