= Complete solar hot water solution

### WHY CHOOSE SOLARGAIN

- 5 year parts and labour warranty on cylinder
- 250L / 315L / 400L sized options available
- Mains pressure delivery
- Long life cylinder with sacrificial anode protection

### HOT WATER STORAGE TANKS

Tough, robust & economical, Solargain's range of hot water tanks are technologically advanced for maximum efficiency. Our custom designed tanks are available in 250L, 315L and 400L options, ensuring a perfectly sized system to meet every hot water demand.

### STORAGE TANK

Manufactured in mild steel with internal glass lined enamel coating for maximum protection against high-tensile stress corrosion.

### SACRIFICIAL ANODE

For superior protection against corrosion.

### POLYURETHANE INSULATION

Minimizes heat loss and maximises heat retention for superior efficiency.

	Tank Size & Dimensions (mm)							
	A	B	C	D	E	F	G	H
